Sir,

I have the honour to state that the merchants and others in the city have adopted to import valuable goods through post parcels and these post parcels are sometimes got through the Banks thus causing inconvenience to the Octroi Authorities to trace out the articles for recovery of the duty according to the rules There have been several instances in which the Manager of the local bank branch of the Mysore Bank has not paid the duty nor has made arrangements for the payments since nearly three years A copy of my letter to the Manager in this matter is enclosed herewith for your information on the subject

I request you therefore that the Postal authorities may kindly be moved in the matter and permission may be got to take note of the parcels that are received in the city post offices by the municipal authorities in the interest of Municipal revenue and to bring home the provisions of the Act to the defaulters

Letter No. dated 15th June 1945 from the President, City Municipal Council Mysore, to the Manager, Bank of Mysore Ltd , Mysore

--

Octroi duty for articles imported through your Bank by several of your clients by post parcel from 8-7-42 to 9-4-43 as per list enclosed herewith stands unpaid inspite of repeated demands

The post parcels are addressed to the Mysore Bank and are received by the Mysore Bank As per Municipal Byelaws, persons bringing articles or receiving articles from beyond the octroi limits are primarily liable to pay the tax The contention that the consignees are different persons and the Bank is only an agent is untenable The Bank has to make the payment of duty first as per rules and then it may collect the same from the several consignees

As the payment for the said imports is long pending, arrangements may be kindly made to send the duty as per the several invoice amounts failing which the Municipality will be compelled to take further steps for the redovery of the same It is hoped that the matter will not be delayed

Thanking you

Letter No L 7826-35/M1 11-34-19 dated the 14th May 1935 from the Development Secretary to Government to the President, Mysore City Municipal Council, the Municipal Commissioner, Bangalore City and the Deputy Commissioners of Districts enquiring if the general exemption laid down in para 91(6) of the Municipal Accounts Manual Vol II regarding levy of octroi on articles received through the post offices may not be removed

2 Replies received from the above officers except the Municipal Commissioner, Bangalore City

---

Order No L 8439-49/M1 11-34-28 Dated, Bangalore, 7th May 1936

Under para 91(6) of the Municipal Accounts Manual Vol II articles imported through post offices are exempt from the levy of octroi duty, subject to rules framed by each Municipality in this behalf It has come to the notice of Government that costly textiles such as silk saddies and superior lace clothswhich would be liable to octroi if they had been imported through the Railway are now obtained through the Post Offices and thus escape payment of duty

With a view to prevent the possible leakage from this source of the revenue legitimately due to the Municipalities and also to improve generally their resources, the opinion of the several officers referred to above was invited as to the desirability of removing the general exemption in this behalf From the replies received it is observed that there is a concensus of opinion to the effect that the articles received through the Post offices should be subject to the levy of octroi in the same way as other goods Government accept this view and direct that the portion relating to this item in para 91(6) Municipal Accounts Manual be accordingly deleted

The City and Town Municipal Councils are requested to amend the taxation rules and the octroi bye-laws specifically so as to enable them to give effect to this order

Separate action will be taken to amend the rules relating to taxation in the Minor Municipalities in the State
